

# Marti Arvin

## Vice President, Audit Strategy

Marti Arvin brings more than three decades of operational and executive leadership experience in the fields of compliance, research and regulatory oversight in academic medical and traditional hospital care settings to her position at CynergisTek. She was most recently the Vice President and Chief Ethics and Compliance Officer for Regional Care Hospital System and before that Vice President and Chief Compliance Officer at UCLA Health System and the David Geffen School of Medicine. At CynergisTek, Arvin leads strategic business development around compliance services, utilizing her industry-recognized expertise in building and managing compliance and health research programs, as well as to inform the development of privacy and security services to meet communities' underserved needs. She is a nationally recognized speaker and contributor to the thought leadership around healthcare compliance and research and contributes to CynergisTek's industry outreach, thought leadership and educational programs.

Arvin is a Board Certified attorney and holds the CHC-F, CCEP-F, CHRC and the CHPC certifications. Arvin received her J.D. from Indiana University School of Law, a B.S. in Accounting from Indiana University School of Business, and an Associates in Science in Respiratory Therapy from Indiana University School of Medicine. She is recognized as an expert on compliance and privacy issues from her many senior positions within healthcare and her published articles, lectures and presentations at national conferences. She was a board member to the Health Care Compliance Association between 2008 and 2011 and was on the Compliance Certification Advisory Board for over eight years. She also served on the certification committee for the CHC, CHC-F, CCEP, CCEP-F, CHRC and CHPC.
